Dear Director Paulette Renault-Caragianes,

The Open House sounds like a lovely, friendly community event! Will the back access entrance for non-stair users be unlocked, and the elevator also unlocked, during this walk-in event?

Thank you,  
Eileen

Hi Paulette,

I have never been to the Annex before and was just wondering if it is wheelchair accessible. I was thinking of trying to make it down on Thursday.

Thanks,

Paulette,  
You have been very busy doing a great job with these emergency management activities, Deputy Fire Chief Patrick Sullivan III is the new Somerville LEPC Chairman ( EXT 8115 ). MEMA is in the process of reviewing our certification with the Mystic REPC. This certification keeps us eligible for all MEMA & FEMA grants. Please keep the Deputy informed of your activities so they can be included in our Emergency Preparedness Activities Report to the Mystic Regional Emergency Planning Committee.

Sorry about this late E-Mail but I just became aware that April is National 9-1-1 Education Month. During your training seminars it would be a good idea to discuss the proper use of the 9-1-1 Emergency System and the 3-1-1 Informational System @ city hall. Keep up the good work!

Hi,

I think it would also be good if staff wear there picture id's on the landyards. This way staff can be identified to visitors. Just a thought. See you tomorrow.

Hi there

Just wanted to thank you all for everything you're doing to make this week a success.....I'm jazzed!

If you can plan on wearing your City OR Public Health pins that would be great....rockin' them both is even better! It will be helpful in folks identifying health department staff more easily.

Please feel free to distribute this information to your colleagues ...we want a full house

Thanks again

Paulette
